## News

On 14 and 15 March 2018, two [Referral Action Days](#) took place with the aim of identifying and flagging online terrorist propaganda on WordPress.com, a blogging service, and VideoPress, a video-hosting service for WordPress sites. During the two days, more than 900 instances were reported to the platform moderators for further review and possible removal.

The action days were conducted by Europol's European Union Internet Referral Unit (EU IRU), together with the national referral units of Belgium, France, the Netherlands, Slovenia, and the United Kingdom.
