On 17 April 2019, Frontex published a call for proposals for “Development and delivery of training activities for border and coast guards.” The call for proposals offers financial support to develop, review, and/or deliver training courses for border and/or coast guards. In line with European standards, it also offers mobility and exchange programmes for officials and training staff for border and/or coast guard training institutions.

Projects may receive up to EUR 60,000 as a contribution from Frontex. The deadline for submitting applications is 28 June 2019.
