At the end of May 2025, the European Judicial Network (EJN) and the Ibero-American Association of Public Prosecutors (AIAMP) signed a [Memorandum of Understanding](#) to enhance their cooperation in the fight against transnational crime and the globalisation of crime. Cooperation between the parties may include the following:

- Exchanging legal, strategic, and technical information;
- Participating in training activities;
- Inviting each other to awareness-raising and knowledge-building events;
- Facilitating communication between the contact points;
- Ensuring mutual understanding regarding cooperation requirements in relation to serious crimes;
- Exchanging best practices.

The [AIAMP](#) is a non-profit organization that comprises the Public Prosecutor's Offices of Ibero-America, including Portugal and Spain. The aim of the network is to strengthen cooperation between its members and to promote the establishment of common strategies in the fight against organised crime.
