News

Europol has launched a [new video series explaining law enforcement in 120 seconds](#). In a series of five clips, the videos illustrate how drugs are produced, trafficked, and distributed by serious and organised criminal organisations, what the negative consequences are for society, and the international law enforcement response to dismantling drug cartels. Drugs make for the largest criminal market in the EU with an EU retail drug market estimated to be worth at least €24 billion a year.
