## News

In September 2022, FRA published the [annual update](#) on its report on the forced return monitoring systems that EU Member States have set up under Art. 8(6) of the EU's Return Directive (2008/115/EC). By means of a table comparing developments in the EU Member States, the report provides for an overview of the following aspects:

- The organisation responsible for monitoring forced return;
- The number of operations monitored in 2021;
- The phases of monitored return operations;
- The number of staff trained and working as monitors;
- Issued public reports about monitoring.
