At the beginning of 2020, FRA published a [calendar with scheduled products for 2020](#). The calendar covers issues such as:

- Migration;
- Child rights;
- Disability;
- Roma;
- Ageing;
- Integration;
- Artificial intelligence, etc.

One of FRA's priorities for the year 2020 will be the national application of the EU's Fundamental Rights Charter.

Furthermore, the situation of Roma in different EU Member States will form a prominent part of FRA's work.

To complete its 2020 survey of lesbian, gay, trans, bisexual and intersex people, FRA will take a closer look at the experiences of intersex people with the aim to further contribute to the European Commission's list of actions to advance the rights of LGBTI people across the EU.
