## News

**Thomas Wahl**

On 13 March 2025, the ECtHR **launched** Romanian, Turkish and Ukrainian language versions of its **Knowledge Sharing platform** (ECHR-KS). The platform is a tool for disseminating knowledge of ECtHR case-law and widening understanding of the Court's jurisprudence among the public. Users can get information on the case-law on each article of the Convention and its Protocols as well as on transversal themes, such as data protection, prisoners' rights, and terrorism. The platform complements the ECtHR's comprehensive database HUDOC.
