News

On 4 April 2023, the platform Community for European Research and Innovation for Security (CERIS) managed by the Directorate-General for Migration and Home Affairs (DG HOME) launched a [newsletter](#) on its activities. The CERIS platform facilitates interactions within the security research community and among users of research results by bringing together nearly 2000 policy makers, security practitioners, and researchers as well as representatives from academia, civil society, and industry from across Europe. With the newsletter, CERIS aims to address a specific interest in security research news.
