## News

On 27 June 2025, Frontex and Poland's Ministry of the Interior signed a Memorandum of Understanding to [establish a new training centre](#) for future European border guards. To allow for proximity to Frontex's headquarters, which Poland has hosted in Warsaw for 20 years, the new training centre is based at the University of Physical Education in Warsaw. It features modern classrooms as well as sports and tactical training areas. The first 200 officers will begin training at the new centre this year.
