In April 2021, the European Commission agreed to continue to fund the Instrument for Pre-Accession (IPA II) with a €1.55 million project. The decision was taken to further support the Western Balkans in the prevention and countering of all forms of radicalisation. The project will enhance implementation of the Joint Action Plan on Counter-Terrorism for the Western Balkans and provide support to the Radicalisation Awareness Network (RAN), e.g., trainings, workshops, and study visits in order to improve the Western Balkans' capacity to prevent radicalisation – in line with EU policy. The project will be implemented over a period of 30 months.
