## News

On 23 February 2022, a [working arrangement](#) between the EPPO and the Italian excise, customs and monopolies agency (Agenzia delle Dogane e dei Monopoli, ADM) entered into force. The arrangement provides for closer cooperation and communication in the fight against crimes that affect the EU's financial interests. A key element is that the EPPO offices in Italy can instruct a special unit at the ADM to carry out investigations or to support ongoing investigations.
